

**CHRIST THE KING
SCHOOL**

**2022
SCHOOL PERFORMANCE DATA**

**ANNUAL REPORT
TO PARENTS AND COMMUNITY**

Dear Members of Christ the King Catholic School Community,

The Australian Government accountability regulations require schools to report on information on school performance to their community, each year. This report is sent to all families and it will be posted on the school website.

CHRIST THE KING CATHOLIC SCHOOL PERFORMANCE DATA 2022

Contextual Information

Christ the King School is a Catholic community dedicated to educating the whole child as a caring and respectful member of society. It was established adjacent to the Christ the King Church in 1903 and relocated to its current site in York Street in 1997. In 2022 the school had an enrolment of 288 (Pre-Kindergarten to Year 6). The school aims to encourage students to become meaningful and active members of society, who model their Catholic faith. It works in partnership with families and parish to create a co-operative, enriching and affirming community. It further aims to provide opportunities for all students to reach their potential by offering a supportive, engaging, innovative and challenging educational environment. The school seeks to implement 'best practice' teaching and learning in all classrooms. The school also offers reading and math intervention programs as well as an enrichment program. Specialist teachers offer programs in: Physical Education, Science, Music, Italian, Library and ICT. The school aims all will live up to its motto, to "Care for and Respect Everyone".

School Improvement

2022 Annual School Improvement Plan – Key Goals

- To encourage tolerance and acceptance through Christian Witness and to raise religious awareness amongst community members and students to learn more about Jesus' teachings.
- Identify Professional Learning needs in Aboriginal Education and establish an Aboriginal school-based team.
- Development of Guiding Principles in Numeracy supporting differentiation and open-ended activities.
- Utilising the digital communication platform of 'Seesaw' as a method of assessment and reporting to parents.
- Develop consistent strategies to support students to develop self-regulation skills.
- Staff Team to develop Behaviour Management Policy and Procedures which includes actions and steps in managing incidents student behaviour issues.
- SIT – Staff Wellbeing Focus.

-------------------------------	---

Workforce Composition

Principal	1 Male
Assistant Principal	1 Male
Teachers	2 Males, 17 Females
Non-Teaching Staff	23 Females
Yardman and Gardener	1 Male

Note: No Indigenous staff currently employed at Christ the King School.

Key Student Outcomes

Student Attendance	<ul style="list-style-type: none"> • Compulsory Years PP – 6 = 238 students in school (Plus 50 Pre-Kindy and Kindy Students) total 288 • Full Year = 183 days • The average attendance rate for students = 91.32%
Student Attendance Year Levels Pre-Kindy to Year 6	<ul style="list-style-type: none"> • Pre-Kindy - 94.55% • Kindy - 87.54% • Pre-Primary - 89.72% • Year One - 86.45% • Year Two - 90.33% • Year Three - 90.12% • Year Four - 93.76% • Year Five - 91.43% • Year Six - 91.13%

Non-Attendance Management

All absentees are recorded in SEQTA by each class teacher. Absentees need to be explained in email or writing by the child's parent, which is recorded in the Register of Attendance and all notes are kept for future reference.

The classroom teacher will send home an Absentee Note Follow Up Form to any child who does not bring in an absentee note. This is followed up with a phone call if required and if there is still no response, a member of the Leadership Team will follow-up with a phone call and if necessary, a meeting with the parent or guardian.

An electronic summary of attendance is formulated each term to ensure correct procedures are followed. Any child who has a large number of absentees is monitored and a discussion between the class teacher, Leadership Team and parent/guardian ensues. In some cases where it is difficult to contact parent/s and or guardian/s, we have communicated via written letter.

Mathematics Assessment Interview

At Christ the King the MAI has been used by Years 1, 2 and 3 to attain data to drive our Numeracy Dedicated Programmes and to assist in the differentiation of content delivery. The MAI has been used by Years 4, 5 and 6 to assess the students at risk and ascertain their teaching starting points. By assessing the children at the beginning of the year the data allows the classroom teacher to plan as well as gather information for Curriculum Adjustment Plans.

		2019	2020	2021	2022
Counting	Year 1 (below 2)	27%	58%	37%	38%
	Year 2 (below 4)	18%	14%	37%	48%
	Year 3 (below 5)	24%	30%	27%	43%
Place Value	Year 1 (below 1)	18%	26%	0%	3%
	Year 2 (below 2)	30%	30%	57%	28%
	Year 3 (below 3)	66%	74%	73%	59%
Addition and Subtraction	Year 1 (below 1)	15%	29%	12%	11%
	Year 2 (below 2)	21%	19%	37%	23%
	Year 3 (below 4)	37%	33%	37%	11%
Multiplication and Division	Year 1 (below 1)	36%	45%	12%	16%
	Year 2 (below 2)	21%	35%	31%	15%
	Year 3 (below 3)	66%	70%	56%	53%

The information above identifies the percentage of students who are identified as at needing support through the MAI assessment in each given domain. From this data, it is evident that as a whole, Place Value, Multiplication and Division are focus domains. We will continue to work on Place Value and Multiplication and Division as a whole school focus in 2022 by further developing best teaching practices in Numeracy through the development of Guiding Principles in Numeracy and subsequent toolkits and effective teaching strategies in the identified areas.

Satisfaction Level

Through Staff Professional Development, Parent meetings and communication, Student discussion and the 2022 Survey on Remote Learning, Teacher and Parent satisfaction along with Student Attitude to School can be measured.

Staff Satisfaction

Through an analysis of Staff Feedback from staff meetings and discussions, the following can be said about the staff satisfaction at Christ the King School:

- Staff indicated that Catholic faith, story, witness, and tradition was an important part of the school environment and to them individually.
- Staff indicated that a focus on Staff well being and the introduction of a 'Wellness' day would be a positive inclusion promoting staff culture.
- Staff felt communication and support during COVID-19 was effective.

Parent/Caregiver Satisfaction

Through an analysis of Parent Feedback in surveys and communication, the following quotes were shared by Parents about their satisfaction at Christ the King School during Remote Learning:

- Checking in with the teacher is vital. The phone calls the teacher made at the end of term 1 to check-in was brilliant.
- The school's communication around Covid and how we could support our children was fantastic.
- The effort of the teachers is greatly appreciated in supporting the learning while Covid was still happening.
- I'm very happy with the online learning. My child is happy and I feel it's in both my child's and the teacher's best interest to continue for another few weeks.
- I was very pleasantly surprised at the programs that were sent home. They seem to be differentiated, involved and well planned and so much effort has gone into them. I appreciate everything the teachers have done for my kids. The phone call they did make at the end of term was fantastic and they were so helpful and knowledgeable as they always are.
- Thank you for your support during this unprecedented time. Your work has been appreciated. The phone calls and follow up from teachers was particularly thoughtful.
- Communication with teachers was great. It was lovely to get a call to discuss learning and that the teachers wanted to speak with the children too.

Student Voice

Through an analysis and development process of the class Code of Conduct the following can be said about the students' attitude to school at Christ the King School:

- Students indicated that Christ the King was a school where they felt respected and cared for.
- Students indicated that the children and staff at Christ the King include everyone and are accepting and tolerant.
- Students indicated that the behaviour management process changes were clear and easy to understand with visual classroom displays.
- Students like coming to school at Christ the King.
