## Acknowledgement of Country

We acknowledge the Whadjuk Noongar people, the Traditional Custodians of the land on which Christ the King School stands. We honour their enduring connection to Country, to land, waters, skies, and community.

We pay our respects to Elders past and present, and we recognise the strength, wisdom, and resilience of First Nations peoples across Australia.

As a Catholic school, we commit to walking together in truth and reconciliation, nurturing a spirit of respect, inclusion, and shared responsibility for a better future.

# Principal's Message

Andrew Kelly

Christ the King School is a welcoming Catholic primary school committed to excellence in learning and the wellbeing of every child. Guided by the Gospel and our school motto, "Care for and respect everyone," we foster a culture of belonging, service, and courage. Our faith-filled community supports each child to grow with confidence and compassion.

It is my privilege to present our Strategic Plan for Christ the King School, a bold and future-focused roadmap built on the rich foundation of our Catholic identity. Grounded in the belief that every child is created in the image of God, our plan articulates a shared commitment to nurturing faith, growing minds, strengthening community, and stewarding wisely for the future.

Through deep consultation with staff, families, students, and parish partners, we identified the key opportunities and challenges facing our school. This plan captures our community's voice and unites us under four key pillars: **Catholic Identity, Education, Community, and Stewardship.**

Our focus is clear:

- To create meaningful ways for our students to live out their faith,
- To inspire curiosity through inclusive and inquiry-driven learning,
- To build a connected and respectful community, and
- To resource purposefully and plan sustainably for the years ahead.

This plan reflects not only where we are going, but who we are becoming - a Christ-centred learning community growing in purpose, compassion, and excellence. I am grateful to all who contributed their insights and aspirations to this work, and I look forward to the exciting journey ahead as we bring this vision to life.
